

A More Social and Inclusive Europe

Programme to support new entrepreneurship for unemployed people aged 18-29

Duration:

02/2026 - 12/2029

The business received support under the above programme, co-funded by the Greek State and the ESF+.

Total budget:

€37,000,000.00

The purpose of the action is to promote self-employment through the creation of new small and medium-sized enterprises by unemployed people aged 18-29, with an emphasis on women's entrepreneurship and on the digital and green economy.

Eligible budget:

€37,000,000.00

The action is implemented throughout the Greek Territory.

Programme

«Human Resources and Social Cohesion 2021-2027»

Co-funded by
the European Union
